To keep everyone as safe as possible and to make sure all gymnasts have fun in a safe environment to practice their gymnastics skills, we are following government guidelines, as well as working closely with Dulwich College. All facilities will be thoroughly cleaned and sanitised each day. Gymnastics equipment and mats will be sanitised between groups, sessions, and at the end of the day.

**All bookings need to be made in advance. Spaces are limited so book early through your LoveAdmin account. We cannot accept any drop-ins on the day.**

We will keep all groups separated throughout the day. Groups will stay with the same coach and equipment will be sanitised between each group. If your gymnast wants to be with a specific friend, please let us know **at least two days in advance** by emailing [charismacamps195@gmail.com](mailto:charismacamps195@gmail.com) this will help us rearrange the groups accordingly.

Gymnasts will be dropped off and picked up in the parking lot of Dulwich College sports Club (Pond Cottages / SE21 7LE). Please help us make this handover as smooth as possible by being on time. Gymnasts will have to arrive changed (there will be a small space for each group for their outerwear), and bring a named water bottle, a named bag with a small snack.

We appreciate everyone's cooperation in this, which will make it possible to run our camps while keeping everyone healthy and happy.
